

SO WHATS NEW AT EXPO?

There are many brand new “firsts” at EXPO this year. Most exciting is our “Legends of Fly Fishing” booth to hang out with icons; Flip Pallot, Chico Fernandez, Dave and Emily Whitlock. Our Florida FFF guides will also have a special booth to tout their services and give out coveted advice.

We expect a great show at the banquet with noted national educator, fly fisher, and author Dave Whitlock as our keynote speaker. Also a first, our professional auctioneer, Johnny Chamness, is well known nationally as a humorist and entertainer having served most councils and our national conclave in the past. To add to the banquet attendance many of our clubs will have dedicated tables for their members “in the front row”. Our FFF National President Phil Greenlee will also be in attendance again a first for the FLC.

We are offering a special casting clinic for CCIs on Thursday to provide continuing education for their certification. These folks and many other famous casting instructors under Dusty Sprague will again offer many demonstrations, classes and hands on advice in many FREE classes.

We have moved to a five star venue to better serve our EXPO and were able to keep the prices the lowest nationwide with all our classes free AND ONLY TEN BUCKS FOR BOTH DAYS!! Get your reservations in pronto before we sell out the hotel AND EXPO.

So what’s new... just about everything!!

See ya there!
