**Fly fishing..... What's YOUR carbon footprint?**

Is it 10 or 100 gallons of fuel? Or is it your footprints on a sand flat stalking a bonefish or snook? Inshore fly fishing can be just minutes away, a short walk or paddle, or a few gallons of gas to enjoy the sport of light tackle fly fishing.

Come to our fly fishing EXPO in Orlando Oct. 22-23, 2010 and discover the lifelong enjoyment now experienced by thousands in salt water coastal waters. Entry level gear is now inexpensive and advanced to allow the beginner to pick up a rod and cast proficiently within an hour. At EXPO all adults and kids wishing to will be given a one on one casting lesson to get you started. Get that rod out of the attic or we will provide one for you.

Enjoy two days of instruction and demonstration from the experts and professionals in the sport as well as pick up some bargains from our exhibitors, auctions and raffles. Go to [www.fff-florida.org](http://www.fff-florida.org) to get all the details. Its only 10 bucks for both days, kids under 16 are free as are all of our classes! The Ramada Inn and Suites at Celebration has special EXPO rates for preregistered guest. Bring the family, stay later and enjoy the area attractions of Disney just minutes away or a few hours to coastal beaches.

**COME JOIN US AT EXPO!**
